**KING JASON ZANTE**  
*where nature, GENEROSITY*  
*and hospitality ARE KING.*

*An island where nature is king, welcomes  
a masterpiece hotel for the art of slow-living.*

Imagine sailing on land, surrounded  
by the element of water. Your senses  
revitalized by the crisp sea air, vivified  
by the Ionian light, calmed by the silvery  
enveloping stillness of ancient olive groves,  
compelling you to slow down as  
you enter the exclusive world  
of King Jason Zante.

## *the art of* LIVING SLOW

Surrounded by olive groves, with an extensive water element, this majestic hotel offers serenity and the needed space and comfort for you to restore your natural rhythm.

What is living slow? It's taking your time to breathe, eat consciously, and integrate everything you touch, feel and see. The team at King Jason Zante will guide you towards immersive experiences of local culture, connecting you with the values of the past. Discover well-being through practices long-dated, but not forgotten. We promise a stay that will be transformative and everlasting.

For King Jason Zante, hospitality means to welcome with warmth and care, anticipating and tending to your every need so that you can fully live every moment.

*Our meditation practices along  
with spa treatments and soulful food  
will ensure you find the right balance  
and enjoy every second of your  
stay*

the joy of simplicity  
and the peace  
that comes  
with being  
fully present.*

## a hotel THAT BECOMES the DESTINATION

Where the hotel becomes the destination and where striking architecture meets low-key splendour. King Jason Zante, elegant and statuesque, crowning the hill of Tsilivi Bay, overlooking the Ionian Sea, and shaded by silver-green olive groves. This regal domain, with its elevated aesthetics and powerful water element, will make you dream.

The monumental simplicity of the design, the expansive grounds, the infinite shared and private pools, reflecting, shimmering, and shifting your perspective, beckon you to become one with the the pervasively tranquil setting.

A summer sonata to nature in repose, the measured tempo felt throughout King Jason Zante offers a peaceful co-existence with nature and its elements encouraging you to slow down and sink deeply, comfortably, into the moment.

## *IMMERSION IN THE LAND, The biodiveristy of Zante, imposes its beauty and invites us to explore*

From rural routes that showcase the island’s natural topography, to gastronomic tours through the island’s interior, we embrace the activities that align with our vision of living slowly. From explorations through fields, dense forests, past traditional stone houses, to snorkeling and private boat trips, Zante has some of the wildest wildlife in the Ionian.

Try a sunset swim and picnic under the trees at Cape Kiri, or an afternoon dip and Greek coffee at Agios Damnianos, or a day trip to one of the island’s many vineyards for wine and olive tastings, accompanied by delicious mezes.

Or take a detour to the village of Kiliomeni for traditional oven-baked bread with a stopover at an artisanal cheese factory, before heading to the village of Exo Chora to pick up some local delicacies, or try horseback riding along the fine sands of Tsilivi Bay, or visit archeological sites; whatever you desire and dream of doing, we share with you our knowledge and insider’s tips on Zante to help tailor the experiences that will connect you to the island’s heart.
